

MONTHLY SUFFERING.

Thousands of women are troubled at monthly intervals with pains in the head, back, breasts, shoulders, sides, hips and limbs. But they need not suffer.

These pains are symptoms of dangerous derangements that can be corrected. The menstrual function should operate painlessly.

McElree's Wine of Cardui

makes menstruation painless, and regular. It puts the delicate menstrual organs in condition to do their work properly. And that stops all this pain. Why will any woman suffer month after month when Wine of Cardui will relieve her? It costs \$1.00 at the drug store. Why don't you get a bottle to-day?

For advice, in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

After the Slot Machines.
Col. Soper was in town Wednesday, and we understand informed the slot machine men that it was a violation of the law to operate them. Therefore no slot machines can be found in this town today. Now if our town authorities would exert their power they could remove another species of vice which is much more pernicious than the slot machine. But instead thereof they are allowed to run wide open and the officers remain content with collecting a fine once a month, except during the days of electioneering.—Muskegon Times.

Spreads Like Wildfire.
You can't keep a good thing down. News of it travels fast. When things are "the best" they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have ever handled in my 20 years experience." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudinous of maladies. It builds up the entire system. The mayor's office was packed from beginning to end with interested spectators, listening to the evidence which was both spectacular and sensational.

Bright's Disease.
Bright's disease is no respecter of persons; it attacks men and women, the strong and robust, the rich and poor, the active body and brain workers, the father of families, the bread winners in every sphere of life, seeming to choose for its victims those only who can least be spared. Smith's Sure Kidney Cure is the only guaranteed remedy for bright's disease. Your money back if it fails to cure. Price 50c. For sale by People's drug store.

See that the word Regulator is on the package and you will be certain you are getting Simmons Liver Regulator. Nothing else is the same. People's drug store, agents, Vinita.

Another Chapter of a Romance.

Some days ago we published an account of the elopement of Miss Mary Christian of this place, to John Pride of Madisonville, Ky. Since then news has come that Thomas Hancock, to whom she was engaged, committed suicide. The gentleman was a prosperous business man of Sturgis, Ky., and was to have been married to Miss Christian a few days before the elopement took place. It is sincerely hoped that the young man of this place who was carrying the photo in his watch and a few others who were admirers of the fair young lady will not take this matter so to heart.

Wants to Go to Mexico.
Tom Ketchum came to town from his home in Delaware district a day or two ago to see J. B. Dickinson about the estimate the latter placed upon Mexico in an article written by Mr. Dickinson and printed in this paper some time ago. Mr. Ketchum made a trip to Mexico last fall, down along the gulf of California, and was very much pleased with the country and would like to go there in case the Delaware colony goes.

Death of George Perryman.
Geo. B. Perryman, of Tulsa, died at Muskogee Thursday of meningitis and the remains came up on the 10:24 Katy Friday morning accompanied by his son, Mose Perryman, and ex-Chief Legus Perryman and other relatives, to be transferred to the Frisco and taken home to Tulsa for burial. Geo. Perryman was a wealthy cattle man and a prominent Creek citizen.

Muskogee Injunction Case.
Several Muskogee lawyers are in town Friday looking after an injunction case before Judge Springer, in which certain parties at Muskogee are sought to be enjoined from fencing up the big pond north of that town. The M. & K. T. railroad is interested in the case, and is represented by its attorney, C. L. Jackson. Hutchings, Nelson and VonWeiss are also in the case.

Abandoned on Account Rain.
Bill Wright returned Saturday from the hunting expedition on which he, with two or three companions started the first of the week. He waded the creek west of Tulsa and reached the Valley train in time to get the local home from Claremore. On account of the continued rains the hunt was abandoned.

A Faithful Dog.
Attorney Jas. S. Davenport has been at Wagoner attending business before the court for several days, but his big bird dog still "hangs out" at the court house in this city, attending all the sessions of the court as faithfully as though his master were present. When court adjourns and he is finally locked out, then perhaps he will go home.

A Red Hot Town.
Sam Motley came in on the six o'clock Katy train Friday evening from Missouri, where he has been talking binders, his territory embracing Missouri and Kansas. Sam says Joplin is on a big boom. Mineral is higher than ever in the history of the town, and business of every description is uncommonly good.

Hailed the Rough Riders.
Tom Isbell writes home that he was in Washington City the 19th, and that during the street parade Lieutenant John R. Thomas, son of Judge Thomas, hailed him from the crowd and afterwards called upon him and Joe Kline, and was glad to see them. Lieutenant Thomas was very popular with the Rough Riders.

Another Good Citizen.
W. P. Thompson returned from Tahlequah last Thursday, and moved to his new law office with J. S. Davenport Friday. Mr. Thompson will move his family to this place soon. This means that Vinita gains another good citizen.

Few Cases Tried.
Attorneys W. H. Kornegay and J. B. Turner and Constable L. P. Isbell, returned from Fairland Saturday. On account of the continuous rains and high waters few cases were tried by Judge Don-Carlos at Fairland last week.

Will This Problem Sult?
The "big hat" at church, problem has been solved by a Missouri man who suggests that we return to the old custom of many years ago, under which the ladies sat on one side of the church and gentlemen on the other.

Gone to Chicago.
Judge Springer left on the Frisco Friday evening for Chicago to visit his wife. She is somewhat improved in health but is quite poorly yet. He will return about the first of May to hold the civil term at Wagoner.

Should be Shut Up.
There are two or three gambling dens in town, so the report goes, and the chances are mighty good for their being shut up and the parties who run them having to answer in the courts.

A Fine Mover.
Callie Gunter brought H. A. Paul's saddle horse back from Siloam Springs Thursday, where the animal has been in the hands of a trainer. He is said to be a splendid mover.

SCREAMED WITH ECZEMA

Baby's Skin Red and Raw. Doctor's Medicine was Painful and Useless. CUTICURA Cured in a Month.
My six-month-old daughter broke out with Eczema. A doctor pronounced it "Moist Eczema," and prescribed for her. She screamed when I put the medicine on her, and I stopped using it. Her skin was all red and raw, and moisture coming from it all the time, and was very painful. I got CUTICURA SOAP and CUTICURA Ointment, they entirely cured her within a month, and her skin is as fair as a lily. Mrs. E. J. KANE, 815 Ohio Ave., Kansas City, Kan.
"Warm baths with CUTICURA SOAP, and gentle anointing with CUTICURA Ointment, freed her of eczema, and she is now healthy, plump, and free from all skin eruptions, itching, burning, and inflammation, and she looks like the most perfect, disfigured child of the skin, scalp, and blood, with loss of hair, when she was born."
